

NEW FOR 2017.....

**SCHOLARSHIPS AVAILABLE FOR MEJCL
SPRING CONVENTION !**

Due to a generous grant from the Classical Association of New England, Maine JCL will be offering 6 scholarships to the 2017 Spring Convention in the amount of \$50 each.

It is the intention of CANE and MEJCL that these scholarships go to help students who would otherwise not be able to attend convention due to financial circumstances. Therefore, we ask that students who can afford the convention (or whose parents will help them) not apply.

Students interested in being considered for a scholarship should answer the question "**What does JCL mean to me?**" in electronic format (Google doc or word processor). Be sure to include your name, email address and name of your school. Send your application to Mrs. Heidi Paulding at:

hpaulding@fryeburgacademy.org

The deadline for application is **May 1, 2017**. Students receiving scholarships will be notified soon after, and their teachers will also be notified so that they can add the student to their rosters.

We are very happy to be able to help six students attend the MEJCL Spring Convention - get your application in by May 1 and you'll be considered.
